

# ASHLEIGH L. HALVERSTADT

Software Engineer

## SUMMARY

Highly analytical and relationship-oriented software engineer with a passion for problem solving and an interest in data science. Proven track record in building effective front-end and back-end web applications. Looking to bring my expertise to a values-aligned company.

## WORK EXPERIENCE

### Software Engineer at 100Devs | Denver

January 2022 - Present

- Partnered with a team of developers to build and test modern, responsive, full-stack web applications with the highest standards for performance and accessibility
- Managed projects efficiently by applying agile methodologies like SCRUM

#### Recent Projects:

- **My Chronicle** (full-stack application) - Currently in development, an application that helps folks with chronic, undiagnosed illnesses document their health stories
- [Wildscapes](#) (static site) - A responsive site for a family-owned xeriscaping company
- [Edible Forest Forays](#) (static site) - A responsive site for a foraging business
- [Reese + Rover](#) (static site) - A responsive site for a local dog-walking service
- **Other Projects:** Edible mushroom API for Edible Forest Forays, Community Health Symptom Tracker, lecture on MVC architecture in JavaScript apps, and many more

### Software Engineer at Northbound Web Development | Denver

January 2022 - Present

- Developed full-stack applications and static websites for local businesses, delivering superior user experiences that helped them advance their goals

### Senior Evaluation & Learning Officer at S. D. Bechtel, Jr. Foundation | San Francisco

October 2014 - December 2020

- Directed strategy to collect, analyze, and use data to drive continuous improvement
- Collaborated across teams to manage [org website](#), amplifying audience engagement
- Spearheaded effort to build [digital library](#) that centralized and preserved research

### Development & Evaluation Strategist at King Consulting | Oakland & NYC

September 2010 - October 2014

### Career Break to Hike the Pacific Crest Trail | 2,660 miles from Mexico to Canada

April 2013 - October 2013

### Development & Evaluation Manager at NYRR Youth & Community Services | NYC

March 2010 - April 2013
